WORK EXPERIENCE

July 2020. – Present

Cyber Security Associate

Virgin Pulse, Fra Grge Martića do br. 42., 75000 Tuzla, Bosnia and Herzegovina

Primary duties and responsibilities rest in maintaining functional Information Security related processes, from ensuring up to date security controls implementation through the entire network and our services, coordinating system-wide pen tests and benchmarking system tools' performance for improvement to development and implementation of new analytical techniques for detection and remediation of security threats inside of the company.

Business or sector Healthcare

October 2020. – Present

Teaching Assistant

College of Computer Science and informatics eMPIRICOM,
Fočanska 1, 75000 Tuzla, Bosnia and Herzegovina

In two major study programs I am in the role of teaching assistant for two subjects in first year: "Introduction To Computer Science" and "Programming".

Business or sector Education

April 2017. – Present

Senior Educator

STEM Academy, Fočanska 1, 75000 Tuzla, Bosnia and Herzegovina

As a senior educator at "STEM academy" I encourage (educate and motivate) the youth to become interested in science, technology, engineering, and mathematics (STEM) subjects that will open the door to the many career opportunities in the everchanging world of the future.

In collaboration with other senior educators I develop and prepare work materials, offline and online exercises and activities for all STEM groups (children aged between 6 and 18 years).

Also, I am a mentor to a group of young STEM educators in their efforts to achieve our common goal.

Business or sector Education

October 2015. – Present
